

New DUA Website Online- Union Update

1 message

Mon, May 5, 2025 at 1:2

Business Managers, Agents & Apprentice Directors.

The new MA Unemployment (DUA) website went online today. For those members filing a new claim today, they will have to include this information below about their union to be exempted from the work search requirement. They will only do this once during their benefit year. If they don't file they will have to comply with the work search to get their benefit.

Workers can include the phone/email of the general office/admin instead of their business agent.

Provide information about your union

Does your union have a hiring hall? ⓘ

Yes No

Does your union restrict you from seeking work outside of your union hiring hall?

Yes No
